Earth Hour:

In class on Friday, your child will be marking a day called 'Earth Hour'. Earth Hour is a symbol of hope for nature and climate and the difference we can make, together. We will be discussing saving electricity to protect habitats. simple daily changes we can make and learning a little bit about the solar power engineer Maria Telkes. We will also be switching off non-essential lights and electronics. The following day, on Saturday 28th March, Earth Hour will be marked around the world between 8:30 and 9:30 PM. Since 2007, Earth Hour has been known for the symbolic “lights off” in support of our planet. Please do take part at home and discuss this global event as a family if you would like to. Here is some more information about Earth Hour: <https://www.earthhour.org/> <https://www.wwf.org.uk/earth-hour> Here are 10 facts about Earth Hour: <https://www.wwf.org.uk/earth-hour/10-facts-about-earth-hour>

Best wishes, Eco Committee
