

3rd April 2020

Dear Parent/Carers,

The school has now received new information to support our parents and carers in receipt of 'Free School Meals', (not a Universal Free School Meal). This will be up and running for after the Easter holiday – w/c 20 April 2020.

Each family in receipt of FSM's will receive an e-voucher by email. If you do not have an email address the school will print out the voucher and post it to you. This will be a 16-digit number with a value attached. The quickest and easiest way for you to receive your voucher, will be for us to email you.

Parents and carers with responsibility for the eligible child can then go online to redeem the e-code against a choice of e-gift cards which includes the following retailers:

- Morrison's
- Tesco
- Sainsbury's
- Asda
- Waitrose
- Marks and Spencer's Food

Please see the attached 'frequently asked questions' for further information.

If you are reading this from our website and do not have an email address, please let the school know that you need your voucher printed and posted to your home address each week. You will need to call the school office on 01273 733386 (option 1) and leave a clear message stating postal FSM Voucher with your own name, your child/ren name/s and class/es and which supermarket you would like your voucher issued for.

If you are a key worker and your child is entitled to Free School Meals we will not be providing a lunch within school anymore, as you will have received your voucher. Therefore, you will need to provide your child with a packed lunch on the days that they are in school.

Yours sincerely,

Wendy Harkness
