Q. Why use the ILD parent portal?

A. Your secure access to the Parent Portal allows you to view your child's progress at any time. This ensures that all parents can become fully involved in their child's learning and development through active participation.

The Parent Portal was developed in partnership with teachers and parents, due to parents requesting a more time efficient way that they could be involved with their child's learning and engage with the school or nursery. Many parents explained that a lack of time was the main reason preventing them becoming more participatory together with no childcare to allow them to attend parent's evenings.

Q. Why use the ILD parent portal? (Continued)

- A.** Recent research has shown that when parents are involved in their child's education (parental engagement), it is extremely beneficial to the child's educational progress.

Problems can be identified quickly and resolved with parents and teachers working in partnership to meet the individual needs of the child.

The ILD also puts the child at the centre of their own learning and bridges the gap between home and school offering a permanent solution to monitoring and supporting your child.

Q. Is my child's data secure?

A. At the ILD we take the security of the data we store very seriously along with your school or nursery.

We take a number of steps to protect this data:

1. All users have their own dedicated username and password
2. We use the padlock and HTTPS in your browser address bar to encrypt data sent to and from the ILD

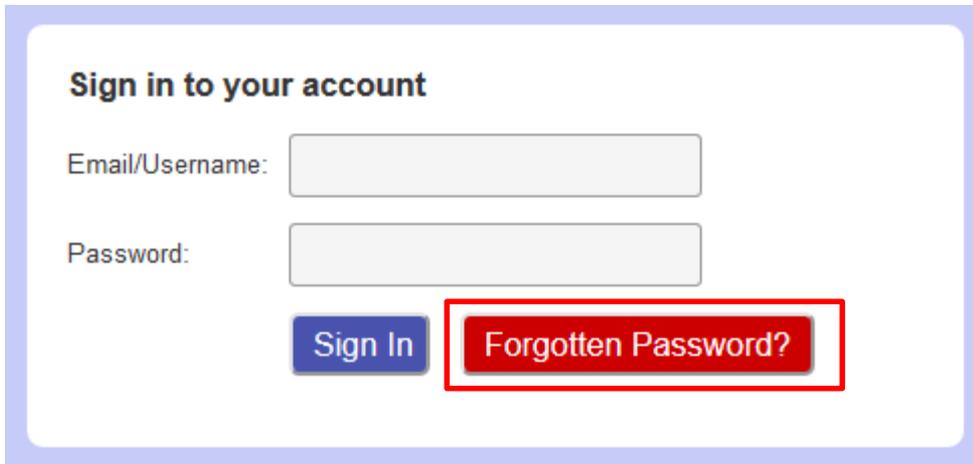

Q. Is my child's data secure? (Continued)

3. All data is stored here in the UK on our dedicated ILD servers
4. Access to this data is restricted to those ILD individuals who support the schools, nurseries and parents
5. All ILD staff members have had CRB & PVG checks at the highest level

Q. What if I forget my password?

A. As your account has your email address registered against it you can reset your password by clicking 'Forgotten Password' on the sign on page

Please Note: The ILD team will not be able to assist you directly for security reasons but your son/daughters school or nursery may assist you with account details

Q. What will I see when I sign in?

A. When signed in you will see your portal home page. This will show a photo of your child or children and allow you to select from the available menu options.

The screenshot shows the parent portal interface. At the top is a navigation bar with icons and labels for Home, Activity Diary, Wellbeing, Accounts, Parental Consent, Your Profile, and Sign Out. Below this is a header section with two logos: 'INTERACTIVE LEARNING DIARY' and 'INTERACTIVE NURSERY MANAGER'. The main content area features a user profile for Kieran Deacon (Leapfrog Day Nursery) with a photo, and a list of other children including Jimmy McSamuel (Leapfrog Day Nursery). A welcome message and instructions are provided, including a link to a short video tutorial. At the bottom, there are two sections: 'Using Your Parent Portal' and 'Getting Mobile', each with a 'Learn more >' button.

Q. I have received an email to sign in and check my Learning Zone?

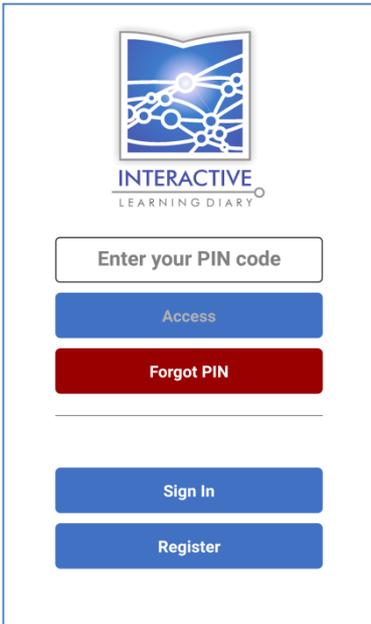

A. The Learning Zone is a feature where nurseries and schools can send homework activities or tasks home for completion. You can access the Learning Zone by selecting 'Activity Diary' then 'Learning Zone'.

The screenshot shows the website's navigation bar with the following items: Home, Activity Diary (highlighted with a red box), Wellbeing, Accounts, Parental Consent, Your Profile, and Sign Out. Below the navigation bar is the 'Activity Diary' section, which includes a description of the feature and a profile picture of Kieran Deacon. A horizontal menu below this section contains the following options: Portfolio, End of Year Reports, Flipbooks, Home Observations, and Learning Zone (highlighted with a red box). Below the menu is a text box explaining the Learning Zone feature. At the bottom, there is a date navigation bar with a green '<<' button, a date selector showing '28/03/2020', a date selector showing '27/04/2020', and a checkbox for 'Show Completed Tasks' which is checked.

Q. Can I contribute to my child's portfolio from home?

A. Yes, you can contribute by uploading photos and videos and writing comments on the web portal or using our dedicated parent mobile apps. This may be your child baking in the kitchen or pedalling their bicycle for the first time.
