

My New School West Hove Infants Connaught Road

This is my new school.
This is the main entrance.

This is the outside area. There is lots of large equipment and toys including a role play. We have bikes, tents, bricks, prams... lots of things and best of all we get to meet our friends!

Our hall where we have lunch and do P.E.

This is where we hang our coats.

We can't wait to meet you, see you very soon...
