

Introducing the Hove Learning Federation - the newly formed governing board for **West Hove Infant School** and **Hove Junior School**

WEST HOVE
INFANT SCHOOL
A family of friends

As Co-Chairs of the this newly formed board we wanted to take this opportunity to write to all parents:

- To give you a snapshot of what we do and our immediate plans
- And introduce you to our fellow governors, some of whom you may know (photos on the next page)

The role of this new governing board

The Hove Learning Federation is a governing board that oversees both the Infants and Junior Schools. Our governing board is made up of sixteen governors, including staff, parents and other members of the local community.

Our responsibilities include:

- Determining the strategic direction for the school
- Setting and monitoring the schools' aims and policies
- Monitoring how the school's budget is spent
- To work alongside senior leaders and to support all staff to provide excellent education for all children

Further details on the work of the governing board and our structure can be found on both school websites.

Our plans for the year ahead

In our first year we are committed to:

- Building on the close working relationship of the two schools and their focus on supporting all children to be themselves and reach their full potential
- Supporting the process which aims to relocate WHIS Connaught Road to the HJS Holland Road site
- Overseeing a school wide arts project in the spring, which aims to celebrate our schools' community.

We are immensely proud to play a part in the life of both schools. We will write again next term to keep you up to date with the board's progress and plans.

Very best wishes

Louise Wilkinson
Co-Chair of Governors

Lisa Marshall
Co-Chair of Governors
